

Jemisen

What I know...

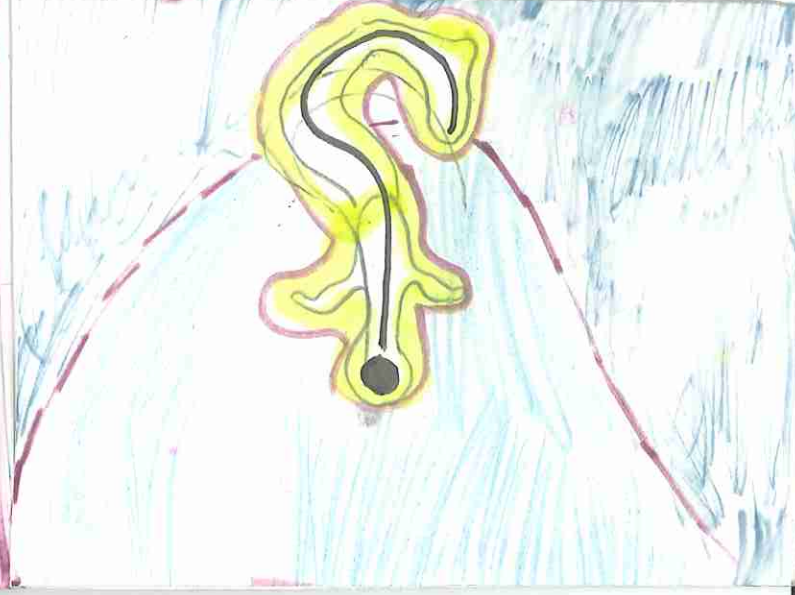

What I know <sup>want to</sup>

Questions I have

What I've learnt

# Save Water

Saving water is important  
because water helps us  
survive.

# Save Water

How do I <sup>recycle</sup> ~~res~~ better? How do I save the earth?

How to save animals

• Saving animals is important

• I can recycle better by  
using less paper.

I've learnt that saving  
water is important.

• Throwing rubbish on the  
ground can cause pollution.  
I learnt my six and my eight  
time tables.

I learnt about rubbish free  
lunches can stop pollution.

• If you have something  
to recycle it and stop  
making pollution.
